MISSING WORK
Write Edgar Allan Poe's "The Raven" as gothic fiction
In class, we learned about the qualities of gothic fiction. Gothic fiction is a genre or mode of literature and film that combines horror and terror, death, and at times romance. For this assignment, I would like you to work in pairs and rewrite Edgar Allan Poe's "The Raven" as a Gothic fiction. I've attached some story starters in the worksheet attached. If you have any questions please send me a private comment and I'll be able to address it in class later.
