

The first two things that you need to do are:

REGISTER FOR GOOGLE CLASSROOM with this code: 9pyibv

REGISTER FOR REMIND: text @deda9f to 81010

You need to use your school gmail address to register. If you use your personal gmail account, it will not let you access the documents.

You will need to complete the following assignments and turn them in at your first class meeting. **Instructions and documents that you will need are available on the Google Classroom site.** They are put in as assignments, but you need to turn them in, on paper, on the first day of class.

- Write TWO essays responding to TWO different Common App essay prompts for 2018-2019. (30 points)
 - You must meet the Common APP word count requirement.
 - Even if no schools to which you intend to apply require an essay, you still need to complete this assignment as it is valuable narrative writing practice.

- Complete the College Research Assignment (50 points)
 - Even if you feel like you know where you are going to go, complete this assignment thoroughly. It does not hurt to explore your options.

- Read *The Kite Runner* by Khaled Hosseini and complete novel notes. (70 points)
 - must be handwritten.
 - If you need a copy of the novel, please see Mrs. Kirkpatrick in 3004 to check one out. You may want to have your own copy so that you can take notes in it.
