

AP Government & Politics Summer Assignment

Next year, you will be embarking on a wild ride through the world of politics and the history of our government. There will be discussions, debates, lectures, activities, quizzes, and a lot of reading. Although this might sound challenging, the summer assignment is designed to get you ahead and lay a foundation in order to make sense of AP Government & Politics.

Required Assignments

- Philosophies
- Constitution Scavenger Hunt
- Amendments
- Keep up with Current Events
- Read Foundational Documents

Optional Assignments

- Review the US Citizenship Quiz

Many of the answers can be found at <https://constitutioncenter.org/> Complete all work in your own words. **DO NOT COPY/PASTE** from the Constitution or from any other source. This assignment must be completed in full and turned in during the first week of school to receive credit. **No summer work will be accepted after Friday, August 16, 2019.**

- **Your work should be your own.** You will quickly fall behind if you do not do your own work. Please **HAND WRITE**, no typed work.
- It may be possible to simply search Google and submit the “correct” answers. It is always possible to copy another student’s answers. Be advised - you would be doing yourself a great disservice. You **must** understand and be familiar with the format and contents of the Constitution to do well in this class. Simply knowing the “correct” answer is not enough. You will be setting yourself up for failure. Do not fool yourself. Read and re-read the document, you will thank yourself later.
- **There will be a Constitution Quiz on Friday during the 2nd week of school, it will, of course, be individual.**
- *Please email with any questions: dbroussard1@ebrschools.org*
- *Please do not wait until the last minute to ask questions.*
