2021 Magnet Schools of America Regional Teacher of the Year  
2021 State Boys Champions Gymnastics  
2016 National Green Ribbon School  
2015 National Blue Ribbon School

**Mission:** The mission of Baton Rouge Magnet High School is to provide a college preparatory curriculum that will enable students to be lifelong learners, critical thinkers, and ethical citizens who can function in an increasingly technical, diverse and global environment.

**B**aton Rouge High School became a dedicated magnet high school in 1976 with the mission of raising standards and developing the artistic talents of its students. Academically, the school provides the opportunity to build a solid college preparatory background by offering fifty-two Honors and Advanced Placement courses that motivate students to excel beyond the normal challenge at each grade level. The school is unique in that it is the only high school in the nation with both streaming AM/FM student-operated stations. With seventy-five clubs and organizations, character building is encouraged to build the culture of the school. Students continue the school's legacy of excellence each year by recognizing National Merit Semi-Finalists, Presidential Scholar Candidates and over 270 Advanced Placement Scholars.

The World Language department is particularly involved in the school's theme since most universities require all majors to take several years of a foreign language. Students develop a desire to remain in these courses for all four years because of the ability to gain course credits, which will be applied to college transcripts. In conjunction with our core courses, other elective courses such as robotics, web design, architectural drafting, business law, creative writing, and African American Studies, are offered which allow students to explore possible college majors and career pathways without sacrificing tuition for a subject that may not be their true passions.

Although students do not have the traditional baseball, basketball, and football programs, students do have the opportunity to participate in varsity teams for both boys and girls in track, cross country, swimming, golf, bowling, soccer, gymnastics, wrestling, tennis, powerlifting and volleyball. BRMHS has won state championships in a number of these interscholastic sports.

"The legacy of excellence" continues at Baton Rouge Magnet High School. The students bring, along with their academic prowess, a wealth of cultural backgrounds and richness of experience, unmatched by any other high school in East Baton Rouge Parish. Continuing to build on the legacy of excellence established so many years ago, Baton Rouge Magnet High School is the place for students to prepare for a world filled with challenges but vibrating with promise.

## School Enrollment 2021-2022

School-Wide Ethnic Percentages		Number Enrolled	
White	40.1%	9 <sup>th</sup> Grade	444
Black	30.4%	10 <sup>th</sup> Grade	382
Hispanic	8.1%	11 <sup>th</sup> Grade	383
Asian	21%	12 <sup>th</sup> Grade	373
Hawaiian/Pacific	0.1%		
Male	40%	Female	60%

## Curriculum for 2021-2022:

- 33 Advanced Placement classes
- 20 Honor courses
- 45 Art, Theater, Music, and Dance
- 6 World Languages
- 30 Business, Technical, and Computer Science Courses
- 2 Robotics Courses
- 21 Lifetime Sports

All students carry a full course load every year, with no early dismissal for seniors, although many students take courses at the local universities and the community college. Baton Rouge Magnet High School has introduced a new app for communicating with students and parents:

<https://admin.schoolinfoapp.com/apl/global/MarketRedirector/1706>

Students utilize Chromebooks and technology in the classrooms as we embrace more technology into our theme. Teachers at all levels integrate technology in meaningful and diverse ways that promote effective communication and collaboration - advancing teaching and learning in every classroom to positively impact outcomes for our students. The 9th and 10th graders participate in a mandatory reading program through the Accelerated Reader Program and a Pre-Advanced Placement Course called Springboard. The school maintains an active student council that meets with club sponsors and the administration to address student concerns. The School-wide PBIS (Positive Behavior Interventions and Supports) is a process for creating safer and more effective schools. Our motto is: "Be Respectful, Be Responsible, Be Safe".
