2022 1st Place State Science Olympiad
2022 Boys and Girls State Champions Gymnastics
2022 Magnet Schools of America School of Excellence
2022 Louisiana HOSA Cup - Future Health Professionals

Mission: The mission of Baton Rouge Magnet High School is to provide a college preparatory curriculum that will enable students to be lifelong learners, critical thinkers, and ethical citizens who can function in an increasingly technical, diverse and global environment.

Baton Rouge High School became a dedicated magnet high school in 1976 with the mission of raising standards and developing the artistic talents of its students. Academically, the school provides the opportunity to build a solid college preparatory background by offering sixty-one Honors, Dual Enrollment and Advanced Placement courses that motivate students to excel beyond the normal challenge at each grade level. The school is unique in that it is the only high school in the nation with both streaming AM/FM student-operated stations. With seventy-five clubs and organizations, character building is encouraged to build the culture of the school. Students continue the school's legacy of excellence each year by recognizing National Merit Semi-Finalists, National Merit Commended, Hispanic Recognized, African-American Recognized, Presidential Scholar Candidates, and over 300 Advanced Placement Scholars.

The World Language department is particularly involved in the school's theme since most universities require all majors to take several years of a foreign language. Students develop a desire to remain in these courses for all four years because of the ability to gain course credits, which will be applied to college transcripts. In conjunction with our core courses, other elective courses are offered which allow students to explore possible college majors and career pathways without sacrificing tuition for a subject that may not be their true passions.

Although students do not have the traditional baseball, basketball, and football programs, students do have the opportunity to participate in varsity teams for both boys and girls in track, cross country, swimming, golf, bowling, soccer, gymnastics, wrestling, tennis, powerlifting and volleyball. BRMHS has won state championships in a number of these interscholastic sports.

"The legacy of excellence" continues at Baton Rouge Magnet High School with the help of the Parent Faculty Association and the Baton Rouge High Foundation. If you are interested in joining the Parent Faculty Association, please contact Annalee Campbell at campbellnews@aol.com. If you would like to make a donation for our students, please contact the BRH Foundation president, Norma Rutledge at nrutledge@cox.net or DONATE NOW using this QR Code to Continue Legacy of Excellence!

School Enrollment 2022-2023

School-Wide Ethnic Percentages		Number Enrolled	
White	41.6%	9 th Grade	471
Black	28.5%	10 th Grade	417
Hispanic	8.2%	11 th Grade	344
Asian	20.8%	12 th Grade	381
Hawaiian/Pacific	0.4%		
Male	39.4%	Female	60.6%

Curriculum for 2022-2023:

- 30 Advanced Placement classes
- 20 Honor courses
- 11 Dual Enrollment courses
- 45 Art, Theater, Music, and Dance
- 6 World Languages
- 30 Business, Technical, and Computer Science Courses
- 2 Robotics Courses
- 21 Lifetime Sports

All students carry a full course load every year, with no early dismissal for seniors, although many students take courses at the local universities and the community college. Baton Rouge Magnet High School has introduced a new app for communicating with students and parents:

<https://admin.schoolinfoapp.com/apl/global/MarketRedirector/1706>

Students utilize Chromebooks and technology in the classrooms as we embrace more technology into our theme. Teachers at all levels integrate technology in meaningful and diverse ways that promote effective communication and collaboration - advancing teaching and learning in every classroom to positively impact outcomes for our students. The 9th and 10th graders participate in a mandatory reading program through the Accelerated Reader Program and a Pre-Advanced Placement Course called Springboard. The school maintains an active student council that meets with club sponsors and the administration to address student concerns. The School-wide PBIS (Positive Behavior Interventions and Supports) is a process for creating safer and more effective schools. Our motto is: "Be Respectful, Be Responsible, Be Safe".
